

Burdwan Raj College Presents

International Webinar
On
Challenges in Higher Education in the Post-Pandemic Era
25-28 June 2020

About the College

Established in 1881 by the then Maharaja of Burdwan, Tej Chand, Burdwan Raj College is one of the premier and oldest colleges not only in the district of Purba Bardhaman but also in the whole state of West Bengal. Presently, it is accredited to the NAAC having B++ grade.

Pursuit for academic excellence is always given the utmost preference in this Institution and mere education for education's sake is not our goal; education with a mission to strengthen human bond in the larger perspective of the globe is our emphasis. The College always feels the need for values that can unite human beings in a society which is torn by disquiet, disorder and disintegration.

Burdwan Raj College, being a constituent College of the University of Burdwan, runs three shifts: Morning, Day and Evening offering 23 Honours Courses. In total, the College caters to about 6500 students studying in different streams.

About the Webinar

The world is passing through extremely trying times. The Covid19 pandemic has thrown our life completely out of gear. What was thought to be 'normal' till a couple of months ago appears quite a distant dream as we all gear up for new 'normals' in our lives. The world of Higher Education, worldwide faces multiple challenges which obviously bring newer opportunities. We must adapt ourselves with these challenges and opportunities. That is why it is but appropriate that premier institution of learning like ours should come forward to hold wide ranging deliberations on different aspects of the challenges we are confronting now to seek out avenues on how to cope with them and turn these into opportunities.

The proposed webinar seeks to hold discussion on following subthemes:

- **Social, Challenges in Post-pandemic Era**
- **Economic and Political Challenges in Post-pandemic Era**
- **Psychological Challenges in Post-pandemic Era**
- **Health and Hygiene in the Campus of the Post-pandemic Era**
- **Online Teaching-Learning, Examination and Assessment in the Post-Pandemic Era**
- **Coping with the Digital Divide and Technological Challenges in the Post-Pandemic Era**
- **Cultural Studies & Literature and/of the Pandemic.**
