Last Date: - 18/08/2020

Theme:

“Future of Higher Education in India in response to ongoing pandemic: New Demand, New Responsibilities” as the Title says, the webinar is aimed to find avenue through this pandemic situation for Higher education, particularly in Colleges and Universities. The present situation not only threatened the conventional dissemination of education but also challenged the evaluation and accreditation process of higher education institutions.

Through the discussion of experienced resource persons this webinar may illuminate the process of pathfinding towards solution
