*Or*

**2. Discuss the importance of critical thinking in academic writing.**

*Or*

**3. Write a summary of the following passage and give it a suitable title:**

Man is the architect of his own fate. If he makes a proper division of his time and does his duties accordingly, he is sure to improve and prosper in life; but if he does otherwise, he is sure to repent when it is too late, and he will have to drag a miserable existence from day to day. To kill time is as culpable as to commit suicide, for our life is nothing but the sum-total of hours, days and years. Youth is the seed-time of life. In youth the mind is pliable and soft and can be moulded in any form we like. If we lose the morning hours of life we shall have to repent afterwards.
